The success story of Four Seasons Restaurant began in 1990 with its first branch in Queensway, London. Soon after the opening, words of all its delicious dishes spread and resulted in a daily long queue in front of the restaurant. Since then, a small restaurant has become known worldwide and has opened in several locations.

The famed Four Seasons Roast Duck has been lauded by the UK edition of the financial Times as “the best duck in the world”

Singing similar praises are the restaurant's repeated customers as well as countless food connoisseurs, food critics and magazines.
